Dear Ms Dash

LETTER OF SUPPORT FOR A COMMUNITY NETWORK

It is my pleasure to write a letter of support for the Two Rocks Yanchep Assisted Cancer Travel Network - Cancer Support Group within our municipality.

This is a fantastic initiative to support and boost the quality of lives of those members of our community, their families and supporters suffering from cancer.

With no rail network currently within the Two Rocks Yanchep area along with a limited public bus service, the support of such a transport network of this nature for cancer sufferers would provide a valuable service to those needing regular medical treatment and appointments.

I fully support the efforts of the Two Rocks Yanchep Assisted Cancer Travel Network - Cancer Support Group as they seek external funding to support a program designed to assist those members of our community, their families and carers of cancer sufferers.

Yours sincerely
