To Whom It May Concern.

On behalf of the Two Rocks Yanchep Resident's Association I wish to express our enthusiastic support for the newly incorporated community group, TRYACT.

This group will play a supportive and caring role for those people in the community suffering from cancer related illnesses. Their endeavours to raise funds to subsidise transport to get patients to hospital for treatment needs to be acknowledged and given financial backing

The group aims to promote their cause by running a variety of events throughout the year. Any assistance or donations, you may give to TRYACT would be gratefully received as this is a much needed group within our community.

Yours sincerely,

A handwritten signature in cursive script that reads "Lorraine Jackson".
